CAMERON STUART WRAGG

2 White Croft, Apartment 79, Sheffield, South Yorkshire, S1 4DX

Telephone No. (+44) 07403 858041 | Email. cameronwragg@pm.me

PERSONAL STATEMENT

I am a highly technically skilled individual, with previous work experience in both retail and technology sectors, currently undertaking a postgraduate degree in the field of computer science. I am seeking an opportunity to gain a solid foothold within the technology industry upon completion of my master's degree. My aim being to find a role that will be challenging and engaging, alongside providing the opportunity to continue learning new methods and techniques within a professional environment. My main strengths include adaptability, problem solving and a strong commitment to deliver a high quality of service in any role.

EDUCATION

2019 - 2020: UNIVERSITY OF LEEDS

MSc Advanced Computer Science (Artificial Intelligence)

Including Data Science, Big Data Systems, Bio-Inspired Computing and Knowledge Representation & Reasoning modules

Recipient of a Head of School Scholarship for receiving a high grade in Undergraduate Degree

2016 - 2019: UNIVERSITY OF LINCOLN
